

EBSCO Webinar for National and University Library Ljubljana on EDS: A Premium Tool for an Advanced Academic Research

Dear Researchers,

You are invited to a webinar where we will show you the new interface of the **EBSCO Discovery Service** tool through which you can access all of your library's resources in one search box.

The webinar agenda is as follows:

1. Introduction
2. The new EDS user interface features:
 - Viewing MyDashboard
 - Creating Projects
 - Utilizing with Concept Map & Search Builder
 - Searching publications in the new Publication Finder interface
 - Working with the full text records
3. Accessing resources via the EBSCO mobile app
4. Q&A

The session will be recorded

Zoom meeting

Friday 10th of May 2024

13:00 - 14:00 CEST
